WHY VICTORY?

Every Victory holiday home is built using our unique construction process we call, Novus.

Inside the Lumiere, you'll see and feel Novus throughout every aspect of the build and design.

Your holidaymakers and owners will experience...

- A true home from home feel with no plastic joins on the walls
- More space and contemporary interiors
- No bouncing floors and more solid walls with less noise pollution between rooms
- Energy efficiency like never before

Welcome to the brand new

Lumiere
from Victory

KEY *benefits*

The Lumiere is a brand new luxury 'glamping pod' concept from Victory, offering parks a unique proposition for holidays.

The Lumiere is offered to market brand new for 2024, with our initial layout designed to offer couples a luxury boutique experience.

That being said, with a flexible sofa bed to the front living space, the unit can be offered as a 4-berth option too.

KEY *features*

One bedroom (4-berth) luxury glamping pod:

- Wow-factor external design with hipped roof for a uniquely 'Victory' Stand Apart feature on park
- Integrated deck for 'inside outside' living
- Optional outdoor furniture pack as shown
- Beautifully designed interior with open plan kitchen living space
- Faux log burner
- Huge modern sofa that turns into a double bed
- Gorgeous master bedroom with luxury slipper bath to end of the room plus shower room en suite
